Inv. No. 337-TA-473

LIMITED EXCLUSION ORDER

The Commission has determined that there is a violation of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337), as amended, in the unlawful importation and sale by respondent Ultimate Game Club Ltd. (UGC) of certain video game accessories covered by the claims of U.S. Design Patent No. D452,282 and U.S. Design Patent No. D452,534, owned by complainant Microsoft Corporation.

Having reviewed the record in this investigation, including the written submissions of the parties, the Commission has made its determination on the issues of remedy, the public interest, and bonding. The Commission has determined that an appropriate form of relief is a limited exclusion order prohibiting the unlicensed entry for consumption of infringing video game accessories. The Commission has also determined to issue a cease and desist order directed to UGC. Finally, the Commission has determined that the public interest factors enumerated in 19 U.S.C. § 1337(d) and (f) do not preclude entry of the limited exclusion order or the cease and desist order, and that the bond during the Presidential review period shall be in the amount of 100 percent of the entered value of the articles in question.

Accordingly, the Commission hereby ORDERS THAT:

1. Video game accessories that infringe U.S. Design Patent No. D452,282 or U.S. Design Patent No. D452,534, that are manufactured abroad by or on behalf of, or imported by or on behalf of, Ultimate Game Club Ltd., or any of its affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns, are excluded from entry for consumption into the United States, entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, for the remaining term of the patents in issue, *i.e.*, until December 18, 2015 for U.S. Design Patent No. D452,282 and December 25, 2015 for U.S. Design Patent No. D452,534, except under license of the patent owner or as provided by law.
2. Video game accessories that are excluded by paragraph 1 of this Order are entitled to entry for consumption into the United States,

entry for consumption from a foreign-trade zone, or withdrawal from a warehouse for consumption, under bond in the amount of 100 percent of entered value pursuant to section 337(j) of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337(j), from the day after this Order is received by the President until such time as the President notifies the Commission that he approves or disapproves this action but, in any event, not later than sixty (60) days after the date of receipt of this action.

3. In accordance with 19 U.S.C. § 1337(1), the provisions of this Order will not apply to video game accessories that are imported by and for the use of the United States, or imported for, and to be used for, the United States with the authorization or consent of the Government.

4. The Commission may modify this Order in accordance with the procedures described in rule 210.76 of the Commission's Rules of Practice and Procedure, 19 C.F.R. § 210.76.

5. The Secretary will serve copies of this Order upon each party of record in this investigation and upon the Department of Health and Human Services, the Department of Justice, the Federal Trade Commission, and the U.S. Customs Service.

6. Notice of this Order will be published in the *Federal Register*.

By Order of the Commission.

Commission for the posting of bonds by complainants in connection with the issuance of temporary exclusion orders. *See* Commission Rule 210.68, 19 C.F.R. § 210.68. The bond and any accompanying documentation are to be provided to and approved by the Commission prior to the commencement of conduct which is otherwise prohibited by Section III of this Order.

The bond is to be forfeited in the event that the President approves, or does not disapprove within the Presidential review period, this Order, unless the U.S. Court of Appeals for the Federal Circuit, in a final judgment, reverses any Commission final determination and orders as to Respondent on appeal, or unless Respondent exports the products subject to this bond or destroys them and provides certification to that effect satisfactory to the Commission.

The bond is to be released in the event the President disapproves this Order and no subsequent order is issued by the Commission and approved, or not disapproved, by the President, upon service on Respondent of an order issued by the Commission based upon application therefore made by Respondent to the Commission.
